This Christmas we've made a charitable donation through MCC in your name to teach women in developing countries how to bake and cook as a source of income and new opportunity.

i love you  
*almost as  
much as  
i love chocolate*

This Christmas we've given a charitable donation through MCC in your name to help farmers grow cacao in a developing country. Cacao is a high-value crop providing a source of income for many families.

we *fish*  
you a merry  
christmas!

This Christmas we've made a charitable donation through MCC in your name to provide a full pond of fish to a family in a developing country. Fish help provide families with food and income.

OLIVE YOU  
SO MUCH

This Christmas we've made a charitable donation through MCC in your name to plant fruit trees in a developing country. Guava, lemon, olive and papaya trees provide years of bounty and nutrition, improving the health of adults and children.
